

ESSENCIALS OF EXPORT CONTROLS

TUES. AND WED., APRIL 18-19TH,
8:00AM - 4:30PM
WYNDHAM GREENSPOINT

The US Department of Commerce Bureau of Industry and Security (BIS) and the Houston District Export Council will be presenting three programs to bring you critical information about the Export Administration Regulations (EAR). On April 18, "Essentials of Export Controls" will cover the major elements in the EAR. On April 19th, the "How to Classify your Item" half-day workshop will help you determine the appropriate export control classification number (ECCN). Later on, the "Intermediate Deemed Exports" half-day program will help you determine what deemed export licenses are required and what documentation accompanies a licensing application.

Cost: \$295
